

Aranui High School

Welcome!

Aranui High school is located 5 minutes from New Brighton beach and is a 15-minute bus ride into Christchurch city. Our vision is for a school dedicated to fostering a passion for learning. We seek to provide rich and relevant learning opportunities with an expectation that students will excel.

Your happiness = academic success, that is our goal

Judy and her staff are responsible for making sure your stay with us is enjoyable and rewarding. We know you are far from home and need extra support and we will assist you in any way we can. We have a close relationship with agents and parents to give you the best opportunity to succeed. We know that the homestay relationship is also critical to your academic success and for this reason we use only trusted and caring families.

Academic Success

We offer a wide range of academic subjects at all levels within the framework of the New Zealand Qualifications Authority. Jan and

Tonya provide additional English tuition to complement these. The English programmes have been designed to provide you with every opportunity to pass the literacy requirements for entrance to university and to succeed on external national exams.

Academy Innovations

But we offer so much more than academic programmes! Whether you have a passion to improve a skill or want to experience something totally new, the "academies" provide the flexibility to enjoy the best of both worlds. You can choose from many academies and spend half of each school day involved in something you love in the academy of your choice and the other half studying 3 academic subjects. There are fantastic academies in the following areas - rugby, sports development, music, tourism and hospitality, theatre and media, and outdoor adventure. Each academy is run by an expert and the opportunity for personal development is endless.
